

We hope your 2017 teams had successful seasons. We support NJBL teams. We are offering discounted pricing options to all NJBL teams. We hope that you will give us the opportunity to take your team to the next level by calling our indoor training facility, your new home. Our 33,000 square foot indoor training facility has the space and amenities that can help your players elevate their game to a whole new level. Space is limited so act fast. Our staff and competitive pricing options are second to none when it comes to baseball & softball on Long Island. We have been in business making players better since 2004. Come where "The Pros Train You." Below are the pre-set winter training package options. If none of the below options fits the needs of your team or organization then we can customize a package that works for you. We offer space rentals, space rentals with instruction add ons, or fully instructed packages. The flexibility with our winter training schedule gives you endless options. We are inviting you and your team or organization to our 33,000 square foot training facility. The best part is your visit is on us. We want to offer your group a FREE workout at our facility this summer or coming fall. For more information or to book your group's workout please contact Brian @ 631-433-4298 or via email at plapsports@gmail.com. Below we have included our pre-set training packages in case you decide to call Play Like A Pro your new winter home.
